OLD BUSINESS:

Booster drive went well this year more kids turned out than last year, still receiving \$ from the drive.

Ordered CC-tshirts from Deb Belegrin, she quoted same price as last year and will have them ready by Thursday to pick up. The kids had actually picked out the design this year. Ray Campos wants to give \$5000.00 for a basketball shootout, all we need to do is sell the tickets at the games. Shelly to find out more info on this. A suggestion was to move checking account to a bank that does business with us and that will benefit us more. All agreed. Jeff will notify us when acct has been moved.
